He is a former Pro of the Year for San Diego USPTA, the leading professional organization for tennis professionals. A resident of Encinitas for 17 years, his son Kyle, a junior at Seattle University, plays varsity tennis for the Redhawks and just returned from a study abroad in Peru.

## PHILOSOPHY

Tennis is a fantastic game for any age: neophytes or experts, individuals or teams, high school or Davis Cup

First, we want the student to have fun. To become a good player one must have a love for the game.

Second, we teach the basic fundamentals of the game. If a young person learns the fundamentals, they can apply those skills throughout their tennis careers.
